**14** Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ **During the year ended December 31, 2017, PIA Farmland Inc. made distributions to holders of its common shares that are classified as nondividend distributions. Under IRC SEC. (c) (2), the amount of distribution should be applied against and reduce the adjusted basis of the stock on the date the distribution is received. Under IRC SEC. (c) (3) (A), to the extent the nondividend distributions exceed the basis in the stock, the excess should be treated as gain from sale or exchange of stock.**

**15** Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ **See attached.**

**16** Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ **The amount reported in Item 15 represents the portion of the distribution paid on the indicated date that is in excess of the earnings and profits allocated of the distribution made on such date.**
